Thank you for your interest in sponsoring the Teton County Fair Board and the Teton County Fair Grounds. The Teton County Fair Board mission is to produce an exceptional county fair, administer the year round use of the fair grounds, and bring the community together to promote our western heritage and rural traditions.

This is an exciting time at the fairgrounds! With tremendous support from the Teton Valley Arena Committee, 4-H, Teton County, and the public we recently completed the Pavillion and are able to offer a public year-round riding and multi-purpose venue to the community. We also just purchased a dedicated fair grounds tractor and grooming equipment to maintain the Pavilion and outdoor arena. In 2014, new bleachers were erected at the outdoor arena to offer seating for 1,200 spectators and we invested in a new arena sound system.

This winter, the fair board updated our master plan and we are working on plans to remodel the fair building, install a nature-based playground as an Eagle Scout project, clean up the fair grounds, and install new signs. Our goal is to promote the fairgrounds year round as a vibrant public meeting space to celebrate our western heritage and rural traditions.

We recently updated our rental rates and policies and our summer schedule is filling in with great events including: the Friday Night Rodeo, Ranch Roping Competitions, Figure 8 Races, a Junior Rodeo, the Balloon Rally and the Teton Valley Fair. If you are interested in renting our facilities, please go to our website – www.tetoncountyidaho.gov – departments – fair board.

By sponsoring the fair board, you will receive year-round advertising exposure at the fair grounds and help us achieve our mission. Please review the attached documents for how you can help us.

Thank you for your support!

Sincerely,

The Teton County, Idaho Fair Board

ADDITIONAL WAYS TO SUPPORT THE FAIR BOARD:

OPEN CLASS - We are trying to grow the Open Class at the fair. If you have a special talent for gardening, baking, canning, fine art, photography, crafts or needlepoint, please consider entering in the Open Class and spread the word to your talented friends and family to showcase their wares at the fair. Entry forms will be in the back of the fair book.

VOLUNTEER – We need volunteers to help put on the fair. If you are interested in helping, please check here _____

PURCHASE MEAT AT THE LIVESTOCK SALE – A great way to support the fair and fill your freezer is to purchase an animal at the livestock auction. Steers, pigs, lambs, goats and poultry are available for purchase at the auction. Your purchase price goes directly to the 4-H kids and the majority of your check is a charitable deduction. If processed at a licensed facility, restaurants can prepare the meat in their establishment. Check here if you'd like to be contacted before the sale with more information _____

NOTES

*Tokens for lights may be purchased at the County Clerk's Office during business hours and at Corner Drug. If you are caught using tokens other than those sold by the Teton County, ID Fair Board, you will be turned over to the authorities.

Activities requiring insurance must have a 1 million dollar policy with Teton County, Idaho Fair Board named as additional insured.

Exclusive uses require reserving the Pavilion. There are some usages which have to be exclusive by nature of the use, because no one else can safely use the arena – barrels, roping, and dummy roping devices.

** Non-agricultural commercial users will be evaluated on a case by case basis pending Fair Board approval. These uses must not adversely affect local store front businesses and must provide benefits to the Fair Board's cash flow.
